**Daily Briefing
Friday 27th March 2020**

Key stories for the day, with thanks to our WhatsApp group who keep these coming in all day.

Nationally

- UK deaths from Covid-19 have topped 100 for the first time
- The new Covid-19 laws were enacted yesterday and Police are now using check points in some counties to establish why motorists are on the road. Fines can now be issued.
- Please be wary, the scammers are already active with bogus emails and calls offering to help

Locally:

- ASDA Rushden will be opening on Sunday between 09:00-10:00 for NHS workers only (take your NHS ID!)
- More great offers of help for people in isolation around the Village
- Several requests received for walking leaflets – mechanisms for safe delivery have been agreed
- The Village's emergency printer has been delayed again!! This shows the supply chain challenges we are facing
- Good response to the request for households to check in with contact details.
- However there are still blind spots in Hillside, Sawyers Crescent, High Street, Britten Close, Kimbolton Road and Chelston Rise. If you know anyone in these areas at all, please call them to see if they are receiving these emails or WhatsApp
- The Church and Parish Council continue to work together daily during the emergency. Brenda Eildred, Reader and Safeguarding Officer at the Church has access to our database and is helping me fill in any gaps and ensure that we have a plan to support the vulnerable and self isolating.
- The Church has published the fourth of its daily podcasts and we will now be including a link here each day so that you can start your day with both news and a period of reflection.

And finally ...

On a night after a beautiful sunset, the Village turned out in force last night to applaud the NHS at 20:00 – a lovely experience, quite unprecedented. It was joy to be part of even in these difficult times.

I'm giving up drinking for a month.

Sorry, bad punctuation.

I'm giving up. Drinking for a month
